Bill they have been trying to contact the number Charlie gave me for Lance.

I'll pass this number to them.

dave

Subject: videos?

Dave,

It is now 2 PM on the East Coast, and we are still waiting for the videos. Please have your people call our IT staff at 206 526 6955 to give an update on the status of the downloads. As you know, Dr. McNutt is holding us to a tight timeline and my experts need sufficient time to view the clips.

Thanks,

Bill Lehr
