History: This message has been replied to.

S2 is the Deputy Secretary of Homeland Security. (I just learned this a few weeks ago myself!) Hence why I was double checking.

I agree they are probably looking for the report. I'll follow-up with them.

Catherine: I don't even know what S2 is. Much less what this chart referred to is. Can we just send the summary?

Subject: FW: FRTG Flow Rate Chart?

"The DHS Crisis Action Team (DHS CAT) respectfully requests that a copy of the Flow Rate Chart requested by S2 during the 1100 NRT Conference Call on 26

May."

Do you know what was sent to S2? Was there a chart, or do you think the requestor means the final report?

Thanks,

Catherine
