Catherine,

Here are the talking points on the FRTG preliminary summary report. I've reviewed and made changes, as has Marcia; thanks so much for starting these out.

Reference the updated version of the actual report, with duplicate paragraphs deleted, etc, Marcia has reviewed again, so I think this is good to go as well.

Might want to delay sending the talking points to the NIC and JIC to give Julie in DOI a quick chance to review.

Thanks,
Vic

Vic,

Coast Guard requested talking points for senior leadership and the JIC. Coast Guard requests that the report and the talking points be released together as companion documents.

I've drafted talking points for your review. They are attached. The information comes from the summary of the preliminary report and the "Reality Check" section.

Thanks,
Catherine
