**Cc:** Paul Laustsen <plaustsen@usgs.gov>; Mark Sogge <mark\_sogge@usgs.gov>

**Subject:** Flow-rate powerpoint slide

Marcia,

Here's a draft of the flow-rate powerpoint slide that Anne suggested. 

 The different colored boxes from left to right show the overlap in methods with and without the riser. We need a legend to explain it, but don't want to go any further without your guidance. Please take a look and let us know what you think.

Thanks,

Vic
