Hi Marcia,

I have calls at 8:00 (Lori C) and 9:00 (Catherine Cesnek). Will take those from the hotel, then come in to office.

Hey guys. Do you by any chance know the combination to this room? When I got in a 6 this morning the door was locked. While I was in the 6:30 meeting a security officer came to unlock it, but I was just wondering for future reference. I try to leave it open at night because I don't know the combination.
