Thanks. No press conference today. Looks like it will just be a press release.

Hi Vic,

Just got of the phone with Marcia. You may already know this,  
but in  
case  
not...

She may be in a joint press conference tomorrow with Admiral  
Allen to  
discuss the new numbers. I don't know any more detail that  
this...

it is  
something she mentioned as to why she will not be heading back to  
Houston  
for tomorrow.

Mark
