Sorry! Thanks for the reminder! I promised to send the Admiral the statistical report. I'll tell him not for public release.

Importance: High

Hi Marcia,

In response to Roger Parson's request (below) for the Woods Hole report and the FRTG report, I sent the Woods Hole 1-pager and the 5/27 prelim FRTG report. He then called me, saying that the Admiral is expecting (per a discussion with you today) a new FRTG report with new numbers, due out tomorrow.

I am not aware of any new written reports coming out tomorrow, and have verified that with Bill Lehr. Can you please clarify what you offered to the Admiral - is it the draft Press Release that contains revised flow numbers?

Mark

Marsha- Please forward ASAP the two flow rate reports (the Woods Hole report and the FRTG report). ADM Allen needs to review these this evening in prep for his press conference tomorrow. Thanks much.
