Subject: Latest version of release

Clarice -- here's the latest version of the release, although more changes are likely before it goes out.

Mark -- if Marcia participates in a media event in DC tomorrow, Barbara Wainman has asked Clarice to be there to support. If you see any traffic this evening or tomorrow morning you think she needs to be aware of, please include her. I've forwarded the release and recent q's and a's, and will watch my box tonight/tomorrow morning as well.
thanks,
Vic
