Martha,

I would be glad to serve if this is considered to be a good use of my time. I must admit I don't know a lot about sub-sea dispersed oil, not that anyone really does. Some of our Coastal and Marine chemists have a better working knowledge, but they may not have the institutional knowledge to serve on such a committee. This assignment may be something that either Marcia or Suzette should decide.

Vic

Martha N Garcia---06/14/2010 09:30:45 AM---Vic, Would you be interested in serving on this group, with me as your alternate? -----

I've been listed on the Subsurface Dispersed Oil group by default. I can participate but wondered if there was some else that should be designated to the group. Thanks
