Sure - let's do a late dinner to catch up. I will call you from the airport so you can gauge my arrival. Will probably get to the hotel between 8 and 9.

Hi Marcia,

I don't know the details of your logistics tonight, but if you get in to Houston early enough AND are interested in getting to together for dinner or post-dinner, let me know. I can zip over to the Omni very easily. Otherwise, I will see you tomorrow morning :)
