No one discusses flow rates with the press and no one does interviews. Route everything to Julie/Kendra/Matt.

Subject: USA Today wants interview on FR

Chris Culon with the JIC called looking for a contact from USGS to discuss the FR. I'm assuming Marcia will be interviewed. This is the first press call I've had to deal with, what's the protocol?

Reporters name is Alan Levin
202 906 8181.
