Mark and Vic:

We just completed a conference call with folks at DOI Office of Communications. We agreed to meet on Tuesday, July 6, 2010, at 1 p.m. Eastern time to discuss a strategy for rolling-out the FRTG report, including products the Office of Communications will need as well as how best to prep the key players if necessary.

You will receive a follow-up invitation from Julie Rodriguez from DOI -- this is just a heads up.

Have a great 4th of July weekend.

Sincerely,
